In order to determine who among the school children of El Paso are the most deserving of these awards, The Herald will be given for each subscription brought to The Herald office, be-

fore 6 o'clock on the evening of December 22, by a school boy or school girl. An accurate record will be kept by The Herald of the number of subscriptions brought in by each boy or girl and on the 22nd of December at 6 o'clock in the evening the awards will be made.

Any boy or girl, under 18 years of age, attending school in the El Paso district, is eligible to win one of the prizes. This includes all the schools in El Paso, no matter whether public, private, parochial, or one of the business colleges.

No employee of the Herald, or member of an employee's family, will be permitted to compete for the prizes.

The boy or girl having the highest number of votes at 6 o'clock p. m. on December 22, 1910, will receive \$50 in gold; the next highest \$25 in gold; the two next highest will each receive \$10 in gold, and the ten next highest will each receive \$5 in gold.

Votes on subscriptions will be awarded according to the following schedule:

1 month, paid in advance... 20 votes
 2 months, paid in advance... 50 votes
 3 months, paid in advance... 100 votes
 The distribution will be based on three month subscriptions, and larger subscriptions will carry no additional votes.

Boys or girls who are attending any school in the city and who are interested in knowing all about this Christmas distribution are invited to come to The Herald office any evening between 4 and 5 o'clock for a complete explanation.

VERDICT OF "NOT GUILTY" FOR HART

Three Men Are Appointed on Ranger Service at Bisbee.

Bisbee, Ariz., Nov. 24.—A verdict of "not guilty" was rendered by the jury in the district court in the case of W. M. Hart, charged with killing Arthur Bean in Lowell last summer.

Dr. J. N. McCormack delivered a lecture at the Orpheum theater before a large audience. The topic was "The New Gospel of Health and Long Life."

Sam Coleman, O. F. Hicks and Rye Miles were appointed county rangers by the board of supervisors at \$125 a month. Slipping down hill, while taking a walk on the mountain south of Bisbee, Prof. H. E. Nixon had a narrow escape from death. He would have fallen over a precipice but for a bush to which he clung for about half an hour until his companion, C. Basler, a representative of the Sunset Magazine, succeeded with difficulty in reaching him and helping him to a place of safety.

A party of Bisbee hunters lost their horses in the Swissheim mountains, the animals having strayed off while the hunters were asleep. After an exciting search, one horse, badly cut, was found, while the other animal was caught by a cowboy.

A banquet will be given in honor of Mrs. George A. Olney, grand matron of the Eastern Star order for Arizona. She is here to attend the meeting of the lodge.

Capt. Donaldson, a custom inspector at Naco, has been transferred to Tucson. T. Toland will go to Naco to occupy Mr. Donaldson's position.

C. Moon, foreman at the Lowell mine, has resigned his position and will leave Bisbee shortly on account of ill health.

TO DISPENSE WITH TELEGRAPHIC RELAY

The Mexican Government Adopts Unique Invention on Federal Lines.

Mexico, D. F., Nov. 24.—An invention that may revolutionize telegraphy has been adopted by the Mexican government on the federal lines. It is a small contrivance attached to the transmitter and it is claimed will do away with relays and at the same time prevent hindrance of the transmission of messages during thunderstorms. All relay offices will be dispensed with and the government will save a large sum annually.

ARRANGE TO SURVEY AND DIVIDE UP INDIAN LANDS

Phoenix, Ariz., Nov. 24.—Arrangements are being made for the survey and redivision of the Gila and Salt river Indian reservations. Most of the Gila reservation has never been surveyed.

In the Salt river reservation all irrigable tracts will be divided into 40-acre tracts and non-irrigable lands into 160-acre tracts and later they may be subdivided.

STENCILING

on all sorts of materials

Demonstration and Instruction tomorrow afternoon 2 to 5

Stenciling is high in favor this season. For curtains, over draperies, table covers, etc., etc., nothing is as effective as stenciling. Many women are afraid to attempt to stencil, thinking it requires the exercise of much skill and artistic ability. Tomorrow afternoon, in our Art Goods Department, from 2 till 5, we hold a Free Demonstration and instruction of how to do stenciling on all sorts of materials. You are cordially invited to be present. Right now, Christmas gifts are first in your mind, and stenciling is much less work and really far more effective than embroidery. Be sure to visit the Art Goods Section tomorrow afternoon between the hours of 2 and 5.
